Contact form

Pohjoismainen Solumuovi Oy's www-sites have contact form, where user's email address is being asked. The information of the contact form is sent to the correspondents of the type of contact (open contact, sales, purchase, production, feedback from web pages, recruitment, projects, services or some other need) inside the company.

The person responsible for the service replies to the user. In some cases, the email address can be sent forward within the company, to make sure that the customer's request will be executed.

The information in the contact form will be stored to the Pohjoismainen Solumuovi Oy server. Contacts will be deleted when they are no longer needed.

Privacy and personal data protection

Pohjoismainen Solumuovi Oy is committed to protect your privacy and personal data. Pohjoismainen Solumuovi Oy adheres to a high level of protection and treats your personal information in accordance with the applicable personal data and data protection principles.

Pohjoismainen Solumuovi Oy will retain your personal data only to the extent required by laws and regulations or in order to provide you with a better service. Pohjoismainen Solumuovi Oy may use your personal information to provide you with services or to respond to your requests. By providing information to Pohjoismainen Solumuovi Oy through this site, you agree to the collection and use of personal data as defined in these privacy policies and for the purposes for which they are limited. Pohjoismainen Solumuovi Oy does not disclose information to third parties nor transfer personal data from Pohjoismainen Solumuovi Oy or its partners or subsidiary companies. Pohjoismainen Solumuovi Oy develops its websites continuously and can at any time modify these privacy principles by updating them.
